"Let a new earth rise. Let another world be born. Let a bloody peace be written in the sky. Let a second generation full of courage issue forth; let a people loving freedom come to growth."

*Margaret Walker*

Dear Seniors:

Each year gives rise to a wonderful group of productive young people. You are that priceless group of youth approaching the milestone of graduation.

As we move towards the 21st century, you will still be in your prime and leading our institutions, agencies and govenment.

Thanks for letting us share in this phase of your lives and hopefully some significant thought, experienced in school, will be beneficial and uplifting in your life.

NEW JERSEY

PLAINFIELD HIGH SCHOOL
950 Park Avenue - 07060

Dear Graduating Seniors

Your investment in your future is about to commence paying dividends. The benefits of your work are not yours alone. They are the fruits to be shared with your faculty, friends and the world community.

This year our country has known the horror of earthquakes. Our relationship with Western Europe has changed in ways unthinkable a generation ago, and the elective offices of prestigious political positions are, for the first time, held by African-Americans.

The work that is left undone is the challenge that is before you. You have an unique opportunity to excel. Please look the challenge in the eye and be unflinching in your resolve. I challenge you to act bodly and not accept the limited imaginations of those who have come before you. You represent our best hope for the future.

We can only wish you the best and every continued success. You will forever remain a part of Plainfield High School. We are proud of you and all that you have accomplished.

Sincerely,

Theodore Brown

As you wander
On through life,
Whatever be your goal,
Keep your eye upon
The doughnut and
Not upon the hole.

That's the Optimist's Creed . . . some unknown genius's shining advice to people starting out in life. Remember it after you graduate. Keep confidence in yourself. And may good fortune always be your companion.
